Additional Uniform Guidelines

1. Players are responsible for their own soccer cleats, maintained in good condition and age/size appropriate shin guards.
2. Players will not be permitted to wear attire that displays the logo or markings of any other football club when attending FSA training sessions, league games or sanctioned events.
3. In inclement weather, if it is rainy, cold or windy, dress accordingly with layers (black thermal base layers in the same color as your shorts are strongly recommended) under the uniform. Consider having an FSA hoodie or the Women’s Tracksuit Bundle to add during half time and after the game.
4. Additional or replacement uniform pieces must be acquired at the players expense, so consider sizing for the growth of the player.
5. **Shin-guards are mandatory during practices and games (inside the socks).** Soft-cleated soccer shoes are recommended (no baseball, football or metal cleats).
6. Players must always have their Home and Away Training Kit in their gear bag at all times.

Accessories To The FSA Uniform

Eyeglasses are allowed, provided they are made of shatterproof glass or plastic. Alternatively, players can wear eyeglasses with a protective mask. Players should not wear anything that can be dangerous to themselves or other players: any kind of jewelry, earrings or ornamental hair items are strictly prohibited for practices or

Uniform Violations and Subsequent Disciplinary Penalties

- Team Managers (with assistance from their coaches) will be responsible for enforcing the FSA Uniform Policy
- A player will receive a First Violation Warning via email from a Team Manager or a coach if they are seen without proper uniform while participating in training or any league/tournament game or event.
- A player will receive a Second Violation Warning via email from a Team Manager or a coach if they are seen twice in the same season without proper uniform while participating in training or any league/tournament game or event.
- If a player receives a Third Violation Warning via email from the Team Manager, the Team Manager will notify the coach.
- The Coach will then take next steps, which may include instructing the player to leave the training area until they are dressed in the FSA uniform as outlined within this policy.

Please feel free to speak with your Coach or Team Manager if you are having significant issues with purchasing your FSA uniform or training kit.
